WENDY KELLEY, Director, Arkansas
Department of Correction, *et al.*

DEFENDANTS

ORDER

On *de novo* review, the Court adopts Magistrate Judge Harris's partial recommendation, *No.* 67, and overrules Dunahue's objections, *No.* 71-72. FED. R. CIV. P. 72(b)(3). Courts must view prisoners' requests for injunctive relief "with great caution because judicial restraint is especially called for in dealing with the complex and intractable problems of prison administration." *Goff v. Harper*, 60 F.3d 518, 520 (8th Cir. 1995) (quotation omitted). Viewed with that caution, Dunahue's motion doesn't show that irreparable harm is likely without a preliminary injunction. It is therefore denied. *No.* 64.

So Ordered.
